

INSURANCE COVERAGE REQUIREMENTS

****MUST HAVE THE FOLLOWING****

ROAD UNITS MUST HAVE THE FOLLOWING:

1. **Insured:** The lessee's name must appear as it does on the request form, with any subsidiaries noted.
2. **Certificate Date:** The certificate date must be within the past 6 months.
3. **Policy Expiration Date:** Must be current to within (1) month from the rental start date.
4. **Certificate Holder:** Thermo King West Inc. DBA Force TK, 8800 W Buckeye Rd., Tolleson, AZ 85353
5. **Auto Liability Coverage:**
 - A. **Minimum** limits of **\$1 million "Bodily Injury" (BI) and \$250,000 "Property Damage (PD) or the preferred \$1 million "Combined Single Limit."**
 - B. The certificate should indicate **"Any Auto," "Owned," "Non-Owned," "Hired" or all** of the aforementioned, by checking the appropriate box(es).
 - C. If **"Specified" or "Selected autos"** is checked, the unit number, serial numbers and replacement value must appear on the certificate.
6. **Commercial General Liability Coverage:**
 - A. A minimum limit of \$1 million general aggregate.
 - B. Any **"Each Occurrence"** limit, if any, must be at least **\$1 million**.
7. **Property Damage and Physical Damage Coverage:**
 - A. Evidence of Property & Physical Damage Coverage must be for the **Full Replacement Value** of the unit, with a maximum deductible of \$1,500.00.
 - B. **Property Coverage must be listed on the certificate separately from Physical Damage coverage under part of General or Automobile Liability coverage.**
 - C. Coverage must include losses due to **Collisions, Fire, Theft and any other casualty.**
 - D. Thermo King West Inc. DBA Force TK must be listed as **"Loss Payee."**

****In description, please note:** "Certificate holder is listed as **"Loss Payee/Additional Insured"** as their interest may appear for ***all *rented/leased** equipment in agreement with written contract." ***or specified units covered.**

****Please state if there is a deductible and the amount. If there is no deductible, please state "No Deductible"; otherwise, it will be assumed to be \$0.00.**
